Astrological and Ray Cycles in History

This huge compendium examines cycles and qualitative forces influencing the races, nations and groups. The principles of Esoteric Astrology & the Seven Rays are applied to various nations as well as events such as 9/11, hurricane Katrina and the Asian tsunami. Themes explored are events in the last 2000 years leading to the formation of the United Nations, the rise and fall of the Nazis, horoscopes of nations in the Middle East conflict, history of the Jewish Race and Israel, Osama Bin Laden & Al Qaeda. America, Australia & New Zealand are all covered in some detail, whilst there is also a chapter on the locations of the new emerging 'Mystery Schools'. (More detail here.)
